

- Fiscal Officer Tracy Evans informed Council she had taken a part-time job with Grow! Highland County to help develop and start up new businesses in Highland County.
- Informed Council we will need to increase appropriations to pay for all of the street repairs but until the invoice comes in from the Lovers Lane project, the amount of the increase is to be determined. Solicitor Beery stated Council could give Fiscal Officer Tracy Evans the go ahead to pay the invoice and increase appropriations if waiting for the council meeting would make the payment late.

*Robert Barrett moved and Chris Runyon seconded to allow Fiscal Officer Tracy Evans to increase appropriations and pay the street repair invoice. Roll call vote 6-0. Motion passed.

MISCELLANEOUS:

- Councilman Robert Barrett stated the flowers in the downtown area looked great this year. In addition, Councilman Barrett asked the status of the Brokaw Building and if the Village was taking ownership of it? Solicitor Beery stated after we receive the inspection report, he could file and claim on behalf of the Village. The court would then appoint a receiver of the property. This is the first step. The receiver can then abate the nuisance by receiving three bids to

repair what is needed. The receiver would then have the first chance to purchase the property and not have to pay the taxes.

- Councilman Barrett asked Council if the Village was still planning a second mural panel as previously discussed. Council agreed to have one more final panel constructed to complete the mural.
- Solicitor Beery stated to Council that he sent a second letter out to the Solar Light Company with all of the repair totals seeking compensation for the damage. If the company does not respond this time, we may need to file a claim in Small Claims court.
- Richard Tolle moved and Robert Barrett seconded to adjourn at 7:42 PM. Roll call vote 6-0. Meeting adjourned.
