

ORDINANCE NO. 20-06

AN ORDINANCE TO SET RESIDENTIAL WATER AND SEWER TAP-IN FEES
IN THE VILLAGE

Be it ORDAINED by the Council of the Village of Leesburg, State of Ohio that:

SECTION ONE:

The tap-in fee for all new 5/8-inch residential connections inside the Village of Leesburg shall be \$1,600.00 for water and \$2,500.00 for sewer. All cost pertaining to the installation of a new water service line will be the responsibility of the property owner. In addition, the homeowner is responsible for the cost from the water/sewer main to the home.

The tap-in fee for all new 5/8-inch connections outside the Village of Leesburg shall be \$2000.00 for water and \$3000.00 for sewer. All cost pertaining to the installation of a new water service line will be the responsibility of the property owner. In addition, the homeowner is responsible for the cost from the water/sewer main to the home.

Please note that some water and sewer installations may require additional installation fees. Should the new meter require boring under the road this cost is the homeowners' responsibility.

SECTION TWO:

This Ordinance shall be declared an emergency necessary for the welfare of the Village of Leesburg and shall take effect and be in force on and after its passage retroactive to August 20, 2020 where it was passed in the minutes.
