

ORDINANCE NO. 21-01

AN ORDINANCE TO SET CUSTOMER WATER AND SEWER TAP-IN FEES IN THE VILLAGE FOR A ONE INCH TAP OR LARGER AND PASS AS AN EMERGENCY.

Be it ORDAINED by the Council of the Village of Leesburg, State of Ohio that:

SECTION ONE:

Any prospective customer, in order to be permitted to connect to the Village water distributions system or the sanitary sewer collection system shall be required to get a quoted price from the Village of Leesburg. Pricing starts at \$500.00 per one-eighth inch of pipe diameter for a one-inch water and/or sewer tap, anything above standard will be quoted. Water and sewer taps are based on the individual situation depending on customer wants and needs.

The customer shall bear the expense of all inspections, materials and excavations in establishing the connection, the quoted connection fees covering only the costs associated with the customer impact on the distribution and collections systems, and the treatment plants.

SECTION TWO:

This legislation is hereby declared to be an emergency measure necessary for the preservation of the public health, safety and welfare of the citizens of Leesburg, therefore, the requirement of three separate readings shall be suspended and this measure shall have immediate effect upon passage of 3/4th of the members of Council.
